### 1 Kings 15:9-16

Before Asa there were many political leaders who did evil in the sight of the Lord. But he changed the face of his nation by doing right by God.

### Acts 13:22

*David is the standard for leaders. He was a man after Gods own heart. Good leadership asks not whats in it for me but what does God think about it.*

The troubles we have in our country are because of evil leaders. Evil is not doing what is right by God. It allows wicked things to happen particularly in relation to sexual activity. Sex was made by God between one man and one woman in marriage. Everything else is perverted. It leads to more and more perverted sex like sodomy.

### Ex 20:3-6

A nations perversion and sin affects entire generations. Children suffer because of the parent's sin. The two forces of evil we must deal with today are:

1. *Foreign religions*
2. *Rainbow religions*

There are evil spirits driving these movements. It is abhorrent to God and causes His anger to burn against the place that practices them.

**God NEVER authorized religious freedom!** False religions are demons that harm people and places that follow them. Freedom of religion is actually a demonic doctrine. God hates it!

War is not the danger for the western world, it is false religion. Europe has been overtaken not by bombs but islam.

A good leader will put rainbow religion and foreign gods out of their nation. They declare God only is what we believe and follow.

*When you follow Christ the true God you have flourishing families and the blessing follows that. It is the answer to a cursed land. India is not going to kick start the economy, following Jesus Christ will.*

A country is its people. Mass immigration is a weapon of destruction to the host nation. Its not people or skin colour, it is belief. If you import 3rd world people you will get a 3rd world place, unless those coming in have their levels raised. NZ has no immigration standard, no official religion and no demand to assimilate to our identity and belief. It is killing our country.

## Tamaki Live - 07/04/25 IN 5 YEARS NZ WONT EXIST - Pt.2

We need a leader like Asa, like David, like Trump. Who put the country back into correct order. It involves outlawing perversion and deporting foreign beliefs. The brakes must be put on immigration, national identity has to be restored, faith in Jesus Christ promoted.

### **Brian Tamaki's solutions:**

1. *Slow down immigration, put in place more security checks.*
2. *Deport terrorists.*
3. *Reward citizenship and patriotism*
4. *Give priority health and medical care to NZ citizens*
5. *Give priority Housing to NZ citizens*
6. *Remove religious freedom from law and policy*
7. *Promote Christianity as national religion.*

**Rom 11:4-5**

**Joel 2:1**

**Joel 3:9**

*The remnant is the solution.* **Those who have not bowed the knee.** The time is now for there to come a **ROAR OF THE REMNANT.**

*We declare war against foreign gods and rainbow perversions. A war against woke, violent spiritual warfare against every demonic influence in our country. There is a sound from the remnant that responds to the roar of God from Zion.*
