### “When Saints become Soldiers, KINGDOM ROARS” - PT 1

#### **Matt 8:5-9**

The paralyzed spirit. A demon that locks people into one place and stuck in life. When christians are paralyzed they backslide and become weary in their spiritual life.

Jesus is the only one who can guarantee eternal life and healing, direct people to Him.

The kingdom is the church militarized and the season we are in now Jesus is shifting the church into military mode. He is raising an army.

#### **Matt 16:19**

Authority is a kingdom function. It means the church has the power and right to destroy the works of the enemy. To bind is to shut down. The church should be shutting down the works of the enemy, just like drag queen story time!

Man gives position but God gives authority. A politician is a position which come and go, but the church is the real power on earth to act on behalf of God. The restraining force to evil, the invading force of heaven on earth.

#### **Luke 9:62**

#### **Matt 11:12**

We do not stop, we do not look back, we keep advancing the kingdom mandate.

#### **Gen 14:14**

The centurion was a military man with a military mindset. Abraham was a military man with trained servants ready to fight and move. Where has the church's army gone?! Abraham is an example to the saints of how we are meant to live.

Religion has robbed the church of its army. The church in NZ is seen as a joke, weak and effeminate. It is not seen as a force to be reckoned with but that is the intention of God.

The early church caused all sorts of problems to Israel on behalf of God. How much more the end time church. Matariki is the transition to kingdom.

Kingdom brings order to chaos, it has rank and order. There is no kingdom without submission to a man. Kingdom is a structure of delegated authority from God Himself.

### “When Saints become Soldiers, KINGDOM ROARS” - PT 2

#### 1 Cor 12:28

Churches have adopted positions, appointed by man, but Gods order is Apostles appointed by Jesus.

#### 2 Tim 2:1

Apostles raise sons, every person needs an apostle not a pastor.

#### 1 Tim 1:2

True sons are the most loyal. They have the heart of their apostle at the forefront of everything. This is military in action, the centurion explained this to Jesus, Go and Come, Jesus didn't rebuke him He marveled at the depth of his revelation which he hadn't even found in the church of Israel. Sons keep and repeat apostolic doctrine. They say the same thing as the Apostle, not their own thing.

#### 1 Sam 15:3

God has always used a man to be His mouthpiece in the earth. Ignore the man to your demise JUST LIKE SAUL. When you will not be regulated by a man you fall into rebellion and rebellion will take you out. It was the original sin of satan.

#### Acts 19:13-16

The sons of sceva shows what happens when you want to move in authority without being correctly connected. Demons only know authority and will give you a hiding if you're not correctly connected.

#### 2 Tim 2:2-4

Apostles have doctrine for a people. Peter was to the Jews, Paul was to Europe. Sons need to decide which Apostle they follow, listen to that voice and then advance that ministry. This is where soldiers come from, enlisted by Jesus Christ Himself. The armies of the Lord. It is these soldiers Jesus will use to usher in the millennial reign of Jesus on earth (Rev 19:14). Obedience and authority go hand in hand. It is the strength and power for kingdom to flow and unity to happen, it creates and generates miracles to take place.
