Sunday Service- 04/05/25 “SACRED SOLDIERS”

Phil 3:14

Matariki means new beginnings. Roar conference is Destiny’s new beginning. It starts by looking like your call. We have been called to go up to a higher call. It means 10 x better.

Matt 8:5-9

The centurion was a captain of 100 men. This was a significant meeting of armies. Roman’s despised the Jews, they ruled over them, oppressed them and had no regard for them. They were a problem to be dominated.

Jesus was on earth first to the Jews, to liberate them, they were the plan of God to save the earth. His response to a roman soldier should have been get lost.

People want the blessing and not the blesser. The heart of man is desperately wicked, understand your carnal nature so you don’t get lost to it and press into your spiritual nature so you can flourish in life.

When you submit to something different than your culture, education, societal norms because you recognize God on that person, your heart is good and right. This is what God is looking for!

John 20:24-29

The call of God is big and His plan is beautiful He is not going to entrust the secrets of it to dumb people. This is why Jesus spoke in parables, to test the heart and test the person. Do not be unbelieving but believe he rebuked Thomas with.

Society wants the blessing and the good things of God but they don’t want God. You cant have one without the other. Don’t put your wants and needs before the One who gives it. NZ is going down the toilet because of its rejection of God.

The centurion was a soldier, this is significant. It was not just a coincidence or happen stance that Jesus was amazed and attributed great faith to a man who recognized and understood authority and had discernment to submit to something totally against his daily life, culture and natural occupation. The centurion was actually going against his entire world to connect to Jesus. This is the heart God wants, to discern the deeper things of God denying yourself and follow Him regardless of feelings and circumstances your in.

Luke 22:42

Authority is the design of God. You must be under another man, submission to another man regulates carnal rebellion. Even God is in order! Jesus submitted to the Father.
