Sunday Service- 20/04/25 “THE RESURRECTION CAUSE REVOLUTION”

John 20:15-22

Rom 8:29

ONLY JESUS has risen from the dead. Firstborn means first one to rise from the dead. He is the resurrection and only through Him can *ALL OF US* also be born again too.

We have met the resurrected Jesus Christ and that is the position we must live from. It is not baby Jesus or even the Jesus you read about in the gospels. It is a real life meeting of the life giving spirit. That is the nature we now live by, not the flesh Jesus but the one who is at the right hand of God and will return with all power.

Easter is where God changed forever. He exalted the human. Jesus was human, flesh. He exalted the flesh to a celestial resurrected glorified supernatural body. At that point he made the way for all of us to follow.

In Him everything was complete. This new being which contained Father, son and Holy resurrected Spirit. God has predestined that we would be in this same image (*Rom 8:29*). That we would be the same as Him because we are IN HIM.

Rom 6:5

Acts 4:33

When you take this position your life must change. You are in the position of the resurrected Christ who will return to Judge the earth along with his glorified saints who are doing the business now while He is up there.

Rise, roar and revolution. There is a sound and a roar that responds to the revelation of resurrection spirit. It comes from the firstborns. This is where revolution will come from to change an entrapped society.

Phil 3:14

I am moving up! His Father and My Father, brothers to Jesus Himself, you can not die, you can not ultimately fail, you will receive hate but that is to just push you forward and away from somethings and people to where God purposes you to be.

Resurrection means you have gone up!

Deut 8:12-13

Deut 28:2

Living in resurrection is the doorway to the blessing. It has to accelerate the places and palaces in your life. NZ is a paradise, it is our promised land, it is being invaded by parasites. Possess means take it, its yours.
