Joel 2

The world needs rescuing and Destiny is it! The trumpet has been blowing but the ears have been blocked.

Now is the time for action. You can't change what you are not in. There is no such thing as a quiet, silent church. The kingdom permeates all society.

The day of the Lord is fast approaching, things are getting worse because the return of Jesus and His judgement is coming and Satan knows his time is short.

Kingdom is about rulership. Who is going to be in charge. Jesus was not a feminine man, he made a whip and many enemies and made sure to get His message out. We don't fit in and we don't hide, we polarize!

When you hear the alarm you have to change whatever it is you are doing, it means it's action time. Where has the church been? It is still hiding in the 4 walls!

Jesus is saying REPENT you have been focused on money and life and not the things of God and your country has been taken over by foreign gods.

Whatever THEY say about you is irrelevant, only your voice matters. The hate is real and will come BUT YOU maintain your peace. Do not react badly, hold yourself well in the heat and hate. Build YOURSELF up because no one else will. Their words cannot be allowed to affect you.

The remnant are a people great and strong. You must learn to build yourself up to this place. The army is not a hospital, the hospital happens at home in your time with God. The army must be on the battlefield.

Get strong morally and spiritually by spending time with Him. Clean and clear yourself with the blood and charge into your day. We must arrive in 8 weeks at conference fit for war.

Joel prophesied of Pentecost, it did change the known church at that time. A greater time than this is coming and it will forever change the church and the world again.

Matt 11:12

Gods kingdom is coming. It is manifested via the church, but your church must be kingdom oriented to manifest it. The kingdom manifest is the invasion of heaven onto earth. It happens through you.

Church is gathering, praising, building and receiving Gods word, all to do the works of God outside the 4 walls. Kingdom is the church weaponized to rule and advance Gods ways into society.

Matt 8:5-13

The roman soldier epitomizes kingdom in action. It mobilizes authority to manifest Gods power on earth. The greatest faith on earth that Jesus had seen was not from a Jew/christian..... It was from a soldier.

The soldier was only looking for the word, a command that would be obeyed, physically and spiritually that created miracles.
