## Sunday Service- 06/04/25 WHO'S RUNNING NZ? - Pt.1

NZ will not be NZ in the next 5 years. 2030 has had a global agenda for some time, to remove Christ and borders and to usher in communism.

Mass immigration is one plan to achieve this. Yesterday our PM attended Buddha's birthday in Botany established (paid for) by previous NZ politicians. Will our politicians attend a church to celebrate Christ's death, burial and resurrection next Sunday?!

### **Two powers currently calling the shots in our country are:**

*Rainbow Cult* - it is deep in all sectors of our politics both central and local. It is sexual perversion parading proudly wanting to be normalized in these end times.

*Mass immigration* is a weapon of mass destruction in NZ. Its purpose is to introduce false gods who bring with them a curse to the nation. 2007 Helen Clark opened NZ up to all manner of false gods and the church of NZ did nothing.

*NZ Churches and Christians* have allowed NZ to be stolen from under our feet. Stuck in the four walls and prayer meetings with no action on the ground. What we tolerate we validate and then it will proliferate.

**IT IS OK TO BE A PATRIOTIC KIWI.** You are not racist or bigoted when you stand for God and country.

Middle NZ is under a spell, the media hold them to a narrative of diversity and inclusion which European have bought into hook line and sinker. Blind to the fact that NZ is being over run and stolen from right under their nose. Politicians have been importing radicals into NZ via refugee status (Shaneel Lal and others).

### **1 King 15:9-14**

Mans eyes see differently to Gods eyes. What matters is what is right by God! David was the example of standing for God. David is a father to us all through Jesus Christ (**Matt 1:1**).

### **1 Peter 2:9-10**

Destiny is special, chosen by God to be a special people dedicated to him. It has the purpose of David to stand for what God sees and says is right. It is the reason we are attacked and hated but also the reason we have dynamic power and favour from God. The fruit is undeniable.

## Sunday Service- 06/04/25 WHO'S RUNNING NZ? - Pt.2

**This next season is for the pure breed and those who have not sold out to mammon.** Those not defiled by the world and sexual immorality but clean and bold for God. Radical youth keep yourself clean from sexual immorality.

NZ needs kings, a people who remove the perverted sodomites and who cut down all the obscene images in the land. It will take a church with an Apostle to totally remove it from right out of our highest places (parliament).

**Hosea 4:11-12**

**Rev 17:1**

**Rev 18:3**

When you stray from God you come under a spirit of whoredom. While whoredom creates sexual perversion it has a deeper purpose to replace God and allows demons to over run a nation.
