## Tamaki Live - 21/04/25 “IT’S TIME TO PLUNDER” - Pt.1

### **Matt 12:22-45**

There is a deadly move in the Spirit, it is called *deliverance*. There is more demonic activity now than in Jesus time. Satan has ramped up his demonic manifestation over nations and people. Satan is the ruler of this world. That means we need to invade his kingdom with the kingdom of God. A blind and mute spirit works on people to keep them asleep to deception and curses. It is a kin to deaf and dumb spirits. Common sense has been lost today, really stupid things are happening and being talked about that are just foolish. Like what is a woman?!

This can be cured by removing the demon from inside a person. They love families, and are called familiar spirits because they are familiar with your whole family line and entrap generations to manifest their will.

The expression of Gods kingdom is deliverance of demons. We are in a season now Destiny that deliverance is needed.

Deliverance requires authority. The authority determines spiritual strength. Demons only listen to someone stronger than them. The stronger man can set free entire households and plunder the enemy to restore lost wealth and health.

### **Ex 3:16-22**

### **Matt 8:5-10**

### **Luke 10:16-20**

Authority means you don't have to be an Apostle or Elder to have power. The power is accessible to you and flows through you because of connection. *Those under authority have the same power as the authority.* The power is Jesus' but it flows when there is order in the church.

When you are in order it attracts favour. The favour of God is more powerful than the grace of God, it brings with it great wealth.

Order requires you to flow together. Whinging and whining cause demonic spirits to interfere with you. It is what stopped the nation of Israel entering the promised land, a stupor came upon them and they missed it!

*Ladies you have a gift to plunder!* The ability to setup generational family wealth. It transfers material goods from demonic strongholds to be released to kingdom families.

### Acts 19:11-20

Deliverance enables unusual miracles. Authority means demons know YOUR name. Don't get jealous of those with positions of importance/authority get connected! *There is a price attached to leadership*, authority means you don't have to pay the price that leaders do but still have the same power over demons. Division causes separation and creates contentions in churches, it can wreck them. Rebellion ruins churches and families, get rid of it!

Being connected and acknowledging leadership above you enables great power and faith to flow through you. In Destiny this is our Apostle, pastors and elders.

### Matt 5:21-22

THEY say all sorts of things. Rules or a way of living that they want you to follow. We listen to THEM too much, we allow evil people and rulers to dictate the outcomes of life. Jesus gave this example, when you stand in the authority of God, you make the rules! Don't listen the THEM listen to God and YOU speak spiritual truth.

**You cant fake spiritual power.** Demons are powerful, they know who is who. If you are not ID'd correctly in the spirit you will get a hiding (Jesus I know, Paul I know). Authority and connection is your passport to smash demons. Step away from order and connection and you take the full hit of demons. Being under authority protects you, it is your armor.

Walk correctly and you just need to say the word, COME OUT! And people will be set free all around you. Start with your house and family and then move to those bound around you.

### Acts 6:1-6

### John 20:21-23

The works of devil casting and town flipping was actually in those under the leaders. *The work of prayer and revelation was the function of the leaders*, the function of the saints correctly connected and sent was demon slaying.

The roman centurion shows how authority works and how it enables spiritual power and supernatural miracles to happen. He honored the authority, he understood how it worked and this enabled unusual miracles and great faith to occur. *It is your access to great faith, power, miracles and wealth to flow through you and to you.*
