

Tamaki Live - 07/04/25 “Reinstate Christ Back into The Heart of NZ”

Joel 2:1-2/Heb 12:22-23

Blow the trumpet and sound the alarm! The day of Lord is coming so be warned and ready. NZ! You are under attack. For the sake of money Luxon has allowed one unvetted immigrant every 3 mins to set up home here. He has also opened a demonic door to millions of foreign gods through his dealings in India. He submitted himself to them by bowing down to idols.

Demons need human vessels to transfer and manifest their will. Luxon has offered himself as this vessel of transfer to bring them to our shores.

Our Government has also been funding millions toward muslim inclusion. London has fallen and it's coming to NZ! The war is not bombs and bullets, it is religious.

Rainbow is a religion, over 1000 children changed their sex last year and thousands are being groomed and converted everyday through our schooling system. It is all done in secret and paid for and backed by your Government.

Only the people can save us now! History shows you only need 3.5% of a population to bring revolution. If you agree that our politicians are not fit to lead and are serving themselves over the people then YOU need to stand up. 175,000 people could win back our nation. Christians alone number 1.7 million, 10% could transform our country!

Joel 2:2/Rom 1:26

Darkness is the absence of light, the clouds and gloominess is a result of the removal of Christ the ultimate light. The delay in God sorting it all out is to allow more to be saved and to show how bad things get without Him. **There is a church like never seen before, it is Destiny!**

Joel 3:9-10

Prepare for war means action. Take your everyday weapons and focus them for warfare. Your tongue, mind, spirit is to be targeted toward demonic warfare.

Is 60:1

Arise means you need to rise up. You cant rise if you don't believe in you. It's already in you, it's just activated when you get up.

Rom 8:28/Rom 11:5

The called is different to being called. The called are a remnant, the Davids, number 8's, chosen. These are the ones that God gives authority to and listens to. Their faith is activated to the purpose of God and has greater strength and works than the general assembly. They are the firstborn's who manifest God through their flesh.
